DeTonty Street Apartments and Townhomes

features 64 one- and two-bedroom apartments and 8 townhomes. As an important new development on the last large parcel of vacant land in the Historic Shaw Neighborhood, DeTonty Street Apartments and Townhomes serves to mediate the "new periphery" at the edge of the neighborhood. In proximity to the Missouri Botanical Garden and a vibrant collection of shops and restaurants, the DeTonty development is situated as an ideal complement to the Shaw and Botanical Heights neighborhoods.
